

BURKE MUSEUM OF NATURAL HISTORY & CULTURE

Discover the life before you

Explore the cultures, wildlife, and geography of Washington State and the Pacific Northwest. See the only real dinosaur fossils on display in Washington, learn about Native peoples and their art from across the region, and examine artifacts from the Pacific Rim. The Burke Museum will close to the public on December 31, 2018 to prepare to open a new facility in late 2019.

10am – 5pm, until 8pm on first Thursday.
