A DRAGON LIVES HERE

WING LUKE MUSEUM OF THE ASIAN PACIFIC AMERICAN EXPERIENCE

A Smithsonian Institution Affiliate

More than a museum, The Wing is an experience. Step back in time into the living quarters of Asian pioneers and learn how they shaped Seattle. Check out exhibitions of real life stories, including *A Dragon Lives Here*, part four of our ongoing *Do You Know Bruce?* series detailing global icon Bruce Lee and his local connection. And plan for a tour of the Chinatown-International District neighborhood—Seattle's second Chinatown—to get an insider look at its history, sights and foods. A must-do for anyone who wants the local experience.

Tues-Sun 10am-5pm
First Thursdays 10am-8pm

Adults \$17.00 and up.
Discounts for seniors and students; children under 5 free.
