Be Curious

Get set for an unforgettable day of fun and exploration for science-lovers of all ages! Launch rockets and create electric circuits in Tinker Tank. Immerse yourself in our lush Tropical Butterfly House, full of hundreds of beautiful, free-flying tropical butterflies. Confront mind-bending topics and experience the latest immersive technologies in our What is Reality building. See a live science show, explore distant galaxies in the planetarium or rock out to one of our mesmerizing laser shows. Ignite your curiosity with hundreds of interactive exhibits and experiences.

Summer hours: open daily 10am-6pm
Regular hours: open Mon-Fri 10am-5pm,
Sat/Sun & Holidays 10am-6pm

Exhibits only: \$13.95-\$25.95
Exhibits/documentary IMAX combo: \$18.70-\$34.70
Visit our website for complete pricing.*
**Prices subject to change.*

Located under the arches, near the Space Needle,
on the south side of Seattle Center at Denny Way
and 2nd Ave. N.
