RIDE THE DUCKS OF SEATTLE

Land to Water Tours

When you arrive in Seattle, Ride the Ducks should be your first stop. Is it a tour? Is it theatre? Is it stand-up comedy? YES! Our tour guides combine history, current culture and fun facts with music and jokes (both good and “dad”) for the perfect recipe to kick start your Seattle exploration. You’ll see the top sights and hear about how the city developed into the tech-coffee-expensive-real-estate hub it is today. Enjoy all that makes Seattle famous on the 90-minute tour rated #1 City Tour for more than a decade.
